## Local Miss Candidate Resumé

Resumé should resemble a work resumé. It is important to the Miss America Organization that candidates competing in the program have their Resumé reflective of their own creativity and style. They are applying for a job as a local titleholder and any format they choose that best represents their personality is helpful in their judges' interview. The Miss Indiana job description should be considered when preparing resumé. **Resumé must fit on one page.**

We recommend the following items be included on your resumé.

- Name
- Hometown
- Social Impact Initiative
- Talent
- Education
- Scholastic Achievements
- Career Ambition
- Leadership Roles
- Accomplishments
- Employment/Experience
- Interesting Facts

We recommend the following items NOT be included on your resumé.

- Address
- Phone Number
- Date of Birth
- Social Security Number
- Personal Information not pertinent to the Job
